Subject: Surety, Reclamation Contract, and Copy of Mine Plan; Star Stone Quarries;
Torrey Sandstone Quarry; M0550016; Task 1355; Wayne County, Utah

Dear Mr. Thomas:

The Division of Oil, Gas and Mining is nearly ready to issue final approval for the referenced quarry. The following items are needed before final approval can be given:

1. The Division currently holds an interim surety in the amount of \$35,000.00. In order to obtain final surety approval, a reclamation contract is required. Please contact Beth Ericksen, bonding coordinator, for details. She can be reached at 801-538-5318 or by email at bethericksen@utah.gov
2. Two complete, clean (no redline/strikeout) copies of the mine plan.

If you have questions about these issues, please contact Beth Ericksen, bonding coordinator, at 801-538-5318, or Paul Baker at 801-538-5261.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
